

## DACUM Facilitator Training

**Course Code : DACUM**

---

**Course Duration : 3-5 Week**

---

**Course Time : 09:00 - 17:00**

---

**Course Language : English**

This training follows additional two sequential stages, both of which must be successfully completed before the individual is certified as a DACUM Facilitator. **Stage 1** consists of a three-week training course. The training requires full time attendance and active participation of all the participants. **Stage 2** consists of conducting an actual DACUM workshop under the close supervision of a certified DACUM Facilitator. This stage of training must be completed by at a later time and at the expense of the sending organization. **Stage 3** consists of submitting an additional DACUM chart from a DACUM workshop planned and conducted by the trainee. The course will be conducted in English.
